

# Medicare Overview 2022

Medicare is the federal health insurance program for people who are 65 or older; certain younger people with disabilities and people with end-stage kidney disease. **Medicare Part A** covers inpatient hospital stays, care in a skilled nursing facility, hospice care and some home health care. **Medicare Part B** covers certain doctors' services, outpatient care, medical supplies and preventative services.

In order to receive Medicare skilled nursing facility benefits, you must have had a three-day qualifying hospitalization, and you must require a daily skilled medical service. Skilled nursing coverage can extend up to 100 days of coverage.
